

CENTRE FOR CAREER AND PLACEMENT SERVICES (CCPS)

Centre for Career and Placement Services (CCPS) was established in August, 2018.

Vision

To become a premier career services centre that contributes to making graduates the most preferred by employers.

Mission

Empower students to acquire career choices knowledge through cultivating relationships with industry players.

Motto

Space for discovery and formation

The main mandate of assisting students to develop education plans consistent with their life goals. The purpose and functions of the centre are divided into two:-

- i) **Academic Advising:** This involves assisting students in developing educational plans consistent with their life goals
- ii) **Career Services:** This involves career counselling and advising, career testing and assessment, individual career information, interview Preparation, job fairs, creation of job opportunities database.
