

KARATINA UNIVERSITY

Weekly Dispatch , 11 2025

Monday 1st Sept– 6th September, 2025

A GRAND BEGINNING: KARATINA UNIVERSITY WELCOMES THE CLASS OF 2025

Day one of registration and admissions at Karatina University was marked by great enthusiasm and anticipation as new students from across the country arrived to begin their academic journey. The Resource Centre, New Library, and field grounds were abuzz with activity, reflecting the vibrant energy of the incoming class.

From the early morning, students steadily streamed in to complete their registration and admission formalities, bringing with them excitement and hope for the opportunities ahead.

Karatina University takes pride in welcoming a diverse cohort representing the rich cultural fabric of Kenya. This diversity not only strengthens the University community but also embodies the spirit of unity and shared commitment to academic excellence.

As the new students settle in, they join an institution dedicated to nurturing future leaders through knowledge, innovation, and integrity. Karatina University remains committed to supporting their academic success and personal growth throughout their journey here.

KARATINA UNIVERSITY HOLDS SCHOOL-LED ORIENTATION FOR FIRST-YEAR STUDENTS

On 4th September 2025, Karatina University officially welcomed its first-year students through a vibrant, day-long orientation program held across all five Schools: School of Health Sciences, School of Business, School of Agriculture and Biotechnology, School of Education and Social Sciences, and School of Pure and Applied Sciences.

The school-led sessions provided students with an introduction to university life, focusing on academic expectations, institutional values, and the diverse support services available. Beyond academics, the orientation fostered a sense of belonging and community, helping the first years connect with their peers, faculty, and the wider KarU family. This holistic experience not only eased the transition into higher education but also set the stage for the students to thrive academically, socially, and personally throughout their journey at Karatina University.

LIBRARY ORIENTATION FOR FIRST-YEAR STUDENTS 2025/2026

This week, our new students participated in engaging Library Orientation Sessions organized by the Library Services Department.

The sessions emphasized the importance of self-discipline, time management, and proactive learning both in the library and throughout their academic journey. Students were also introduced to our Digital Library, explored available resources, and engaged in an open forum where they asked questions and shared expectations.

By the end of the orientation, students were better equipped with the skills and knowledge to fully utilize library resources and support systems, setting a strong foundation for their academic success.

Welcome once again to the **KARU family** – here's to a great start!
