RE: ONSITE SUPPORT TO NEW FUNDING MODEL STUDENTS

This is to inform the New Funding Model Students (Y1; Y2 and Y3) that Officials from University Fund (UF) and Higher Education Loans Board (HELB) will visit the University from **Monday, 23rd February, 2026 to Thursday, 26th February 2026** to address individualized matters related to current status of scholarship and loan applications.

Please note that the University has gone out of its way to bring on site UF and HELB services to avoid unnecessary travels of individual students. Therefore, all Students are advised to take advantage of this opportunity and avail themselves **without failure** for the onsite support on the stated dates.

NB:

1. *Check your current status, avail any necessary support documents and be specific on what support you require.*
2. *Zero Household balance is key to uninterrupted progression of your studies as we move to second semester of the 2025/2026 Academic Year that include Field Trips, Field Visits, Industrial Attachment, Teaching Practice and Clinical Placement based on programme of study.*

The support will be provided in the New Library.

Thank you.
